

WEDDING & EVENT PLANNING PACKAGES

Partial Planning: Design + Management

We are all about the small details. Let us help to curate the perfect intimate details that you & your guests will remember!

We work with the top artists on the Central Coast to create the perfect details for your special day. This package is designed for the couple who is prepared to take some matters into their own hands, but values the need for a professional designer who can bring their vision to life. We ensure you are thoroughly supported with all design-related aspects of your wedding (Color Palette, Rentals, Lighting, Draping, Florals, Décor, Stationary, Signage, etc.), and provide expert guidance on everything else!
